ROQUEBRUNE-CAP-MARTIN

The striking modernist architecture of The Maybourne Riviera emerges from the rocky peninsula of Roquebrune-Cap-Martin as if forging its way into the glistening Mediterranean Sea. Dramatic views of the coastline take in Italy to the east, Monte Carlo to the west, all bathed in brilliant light. The setting is unrivalled, the never-ending sea and sky viewed from every room, and as you step out into the warm, saltwater breeze, all it takes is a moment to softly slip into Riviera time.

## ROOMS & SUITES

Unique spaces created by celebrated designers and architects, inspired by the movement of the sea, the verdant landscape and the spectacular views beyond. Step out onto your private terrace as the sun slowly sets over the glittering Mediterranean Sea.

## RESTAURANTS & BARS

### CETO

Inspired by Greek mythology and the water constellations of the sky, Mauro Colagreco's Michelin-starred Ceto looks to the traditions of the past while forging ahead, focusing on sustainable fishing in tune with nature. Experience the rich diversity of the Riviera's verdant landscape and the Mediterranean Sea, the menu evolving and following the rhythm of the water throughout the seasons.

### RIVIERA RESTAURANT

Take a gastronomic journey through the unique terroir of the Riviera surrounded by spectacular panoramic views. From Spaghetti alla Genovese to the classic Tarte Tropézienne, travel along the coastline and taste interpretations of the local flavours and traditional dishes that continue to charm.

### LA PISCINE

Take a break from swimming and sunbathing at our relaxed poolside restaurant. Open all afternoon, recline in a shaded spot and enjoy perfectly-charred pizzas from the statement wood-fired oven while you sip fresh juices or refreshing cocktails, depending on your mood.

## LE 300

A beautiful space to relax in after travelling or drop by for an aperitif before dinner. At night, the floor-to-ceiling windows reveal the starry lights of the Riviera coastline, set against the sounds of the Steinway piano. Inventive cocktails boast local ingredients, from gin infused with herbes de Provence to Limoncello made in nearby Menton, and our exquisite wine list is perfectly paired with classic Provençal bites.

## MAYBOURNE LA PLAGES

Facing the sea at the tip of Cap Martin, not far from Monaco and the Italian border, Embodying the golden age of the Côte d'Azur, our beach club and restaurant is a destination for relaxed dining next to the sea, with fresh and local seafood dishes.

## THE MAYBOURNE RIVIERA SPA

The Maybourne Riviera Spa draws together ancient ceremonies, restorative bodywork and the latest bioinnovation to amplify your emotional, physical and spiritual wellbeing. With personalised treatments designed around high-performance lifestyles, we combine both a holistic approach with results-driven, high-tech methods.

## LOCATION

Set on the peninsula of Roquebrune-Cap-Martin, The Maybourne Riviera is just 10 minutes from Monte Carlo and 20 minutes from Menton. From Nice Airport it takes 10 minutes by helicopter to Monte Carlo or approximately 45 minutes by car to the hotel. Secure parking is available or a private car pick-up and transfer to the hotel can be arranged in one of our luxurious fleet.
